

Warrenville Independence Eve Parade - Instructions Monday, July 3, 2017

Parents, please remember to have your cell-phone with you, and on, in case we need to reach you for any unforeseen reason on the day of the parade.

In case of threatening weather –

Since the director does not run the parades and weather is beyond her control it is a parent's decision whether or not their child participates if weather is threatening. The director will always be present at the parade, for those who decide to attend. If rain is predicted, those marching should bring a **clear** not colored poncho. Inexpensive ones can be purchased at Target or Wal-Mart.

All Parade Participants – Review and adhere to the complete Marching Dress Code found on the Summer Marching web page.

- Bring your hat. *Reminders about how the hat is to be worn-*
 1. The headband is to be across the forehead with USA front and center.
 2. The hat is to be worn above the ears. If the headband is not tight enough to stay above the ears use a safety pin to make a tuck on the inside.
 3. The bulk of the hat should lay to the right.
- Musicians, bring instrument, lyre and flip-folder with **music loaded in the order given at camp.** (Tape edges of pages to prevent music from blowing away and a rubber band to keep the pages in place.)
This list is simply alphabetical.
 1. American Pride
 2. God Bless America
 3. Magnificent 7
 4. Spirit of America
- If you have a tuner, please put your labeled tuner in your pocket and bring it along to help.
- Remember to apply sunscreen beforehand.
- Water must be in a clear or color-coordinated container as discussed at camp.
- Double tie your shoe-laces
