**West Suburban Home School Band**

## ATTENTION HOME SCHOOLERS

Does your child already play a wind or percussion instrument? Have you had good intentions to add music to your curriculum? Perhaps you cannot afford private music lessons. A very inexpensive way to help your child learn and grow is to make the West Suburban Home School Band a part of their school week. Students make new friends, are accountable to someone other than mom or dad, and strive for their personal best as part of a wholesome, Christian group working towards a common goal.

There are four band levels to accommodate those with no musical training whatsoever to those with advanced experience and abilities. Membership includes students, elementary through high school, as well as some college students, alumnae, parents and other adults.
