GENERAL NOTES

SOLO AND ENSEMBLE CONTEST (SEC)

The sign-up deadline has passed. Our 16th SEC will be held on Saturday, March 18, 2017. SEC Arrival time will start at 8:30. Location is the Village Church of Bartlett at 601 West Bartlett Rd., Bartlett, IL. It is of the utmost importance that participants carefully read the SEC Rules. THERE ARE CHANGES, especially point number 9. It is also highly recommended that you also read the SEC Helpful Tips document which includes proper conduct, etiquette pointers and more.

SEC VOLUNTEERS STILL NEEDED

If your family is participating, we ask that you strongly consider volunteering for part of the day. See <u>The WSHSB Sign-up Schedule</u> for the 9 jobs which remain open as of 2/16/17.

SEC SCHEDULE – The SEC schedule will be **EMAILED** to all as soon as it is ready. It will not be posted on the web because personal names are on it.

SEC HOURS AND PERCUSSION SET-UP— SEC arrival time starts Saturday, 3/18, at 8:30am. **Those using drum sets** need to bring and set up their sets ahead of time. If you would like to do it on Friday, 3/17, you must email Mrs. Romsaithong beforehand to arrange a specific time on Friday.

Otherwise you must arrive at 8am on Saturday, 3/18, and be finished before people start to arrive at 8:30am. The SEC starts at 9 and is expected to be over, including clean-up, by 4pm.

FOR THOSE NOT PARTICIPATING IN THE SEC – Any student (including any Cadet) who is not participating in the SEC is encouraged to come on the day of the SEC, March 18, to observe all that goes on. You are also invited to sit in the audience for any open event. This is a good opportunity to experience what the SEC is all about. Also if any participants have friends/family that they'd like to have see their solo or ensemble performance, please INVITE them to attend the SEC.

*****SEC CONCESSIONS*****

The day of the SEC there will be donuts and fruit available for breakfast and nachos, pizza, and hot dogs for lunch. Tickets will be available for purchase the day of the event in 50 cent increments. Cash or check will be accepted as payment.

They are asking for donations of bottled water, individual bags of chips and sweet treats (cookies, brownies, Rice Krispy treats, etc...). Donations can be brought to band the next two weeks and left behind the front table as you walk in.

LOOKING AHEAD TO AUDITIONS

This time of year is a GREAT time to gently remind everyone that the audition deadline **about six (6) months away.** It will be here before you know it. Current **Cadets** should also pay heed to this advice. If you hope to move up a level you will need to prepare a Concert Junior audition. Musical skills are not best built separately over the summer, or even worse, in just a few days before an audition recording is due. They are built with diligent, consistent daily practice.

Audition requirements are subject to change to a greater or lesser degree every year. In the past, Junior and Senior audition requirements have changed only slightly from year to year (see Audition Requirements on our website's AUDITIONS tab). Know that we are always considering new options. Please note the Senior Audition requires a portion of the Part 2 No. 1 scale passage from the book entitled Unisonal Scales, Chords & Rhythmic Studies for Bands Compiled and edited by William C. White, published by Carl Fischer. Senior audition music, which is required in addition to the exercises, is released about a month before the audition recording deadline.

Our more challenging, Symphonic audition is based on the entire Part 2 No. 1 scale passage from the <u>Unisonal Scales, Chords & Rhythmic Studies for Bands</u> Compiled and edited by William C. White, published by Carl Fischer. Symphonic audition music, which is required in addition to the exercises, is released about a month before the audition recording deadline.

All these exercises can and should be practiced DAILY if students hope to improve as musicians, especially those not studying privately. They are foundational assignments that are designed to help the student to progress.

The director encourages you to evaluate yourself and your skills.

- Was last year's audition too hard? Then what is stated above applies even more.
- Was last year's audition quite easy? Then perhaps it is time to explore the idea of striving to promote up to the next band. This will require you leaving your comfort zone and entering a new set of unfamiliar and more challenging exercises.

Again, whichever band you hope to study with next year, the audition exercises are not learned and perfected overnight, but over time. Start now. Begin working daily on the audition exercises for the band you see yourself in for fall.

Desire to move up a band level? Please remember, in order to be considered for a band level promotion, members need to prepare and perform **BOTH** the audition for the band they are in as well as the one to which they are aspiring. This is all the more reason to begin preparing known parts early.

You won't regret it, but you will regret not using the next six months wisely.

EARRING FOUND

A single cubic zirconia, post-type earring, about 1/8" in diameter, was found after band. Email Mrs. Borow if it is yours.
